## HB 697

### POCKET DOOR STRIKE BODY WITH INTEGRATED EDGE PULL

The Halliday+Baillie HB 697 pocket door strike body is designed to be paired with the HB690 series pocket door locks in bi-parting sliding door situations. The HB 697 integrates a strike with the HB 690 series push button-activated edge pull. Flush pulls are not included; *please order separately*.

**minimum door thickness :** 38mm ( 1.50" )  
when used with HB 660 or HB 665 flush pulls.

For 1 $\frac{3}{8}$ " thick doors specify HB 660/35.

**flush pulls :** order separately

**available in the following finishes :**

- SC : Satin Chrome
- BC : Brushed Chrome
- PC : Polished Chrome
- BN : Brushed Nickel
- PN : Polished Nickel
- DB : Dark Bronze
- KC : Black Chrome ( by special order )
- WT : Powder-Coated White ( by special order )

**standard HB 697 set includes:**

- HB 697 Strike Body
- Fasteners

Lock body : shown here with HB 660 flush pull ( not included )
